OGDEN NEWS.

OGDEN, MARCH 17, 1900.

A JOKE THAT WAS NO JOKE

Butcher Attempts to "Joke" a Little Girl and Nearly Severs Her Hand.

District Court Notes—Police Notes—Sent to Crittenden Home—Died in the Hospital.

One of the most foolish tricks that a man has played in Ogden for some time, took place on Thursday. A thirteen year old daughter of B. F. Shepherd was sent to the butcher shop to get some beef steak, she informed the butcher that she was in a hurry, and he foolishly thought to scare the girl by saying, "I'll cut off your hand," at the same time taking the child by the arm and laid her hand on the chopping block and raised his knife and struck her on the wrist, thinking that the back of the knife was downward, but as the knife struck the wrist the blood gushed out the girl screamed, attracting the attention of a passerby, who rushed into the shop and took the girl home, and a more frightened butcher is seldom seen. Dr. Powers was summoned and dressed the gash, finding it to be quite deep, it necessitated three stitches. He said that the arm would soon be healed. The father of the girl went up again. The father of the girl went up again. The father of the girl went up again.

GOVERNOR THOMAS IN OGDEN.

The Democrats expect to have a big time here tonight, at the Grand opera house. Gov. Chas. S. Thomas, of Colorado will speak to the public from a Democratic standpoint. The Ogden band will be out to help in making the evening interesting.

BEFORE JUDGE ROLAPP.

In the matter of the estate of Magdalene R. Jensen, deceased, a petition was filed by the administrator, H. R. Miller, asking for the confirmation of sale of personal property, together with the report of said sale.

In the case of Mary J. Daly vs John Daly, a decree of divorce was granted by Judge Rolapp, upon the grounds of desertion and failure to provide.

The case of Fred Coy vs Ogden Sugar company was continued until March 21.

In the case of Nugent vs Garland, argument on the demurrer was heard, and taken under advisement.

BEFORE THE POLICE JUSTICE.

Last evening a man named James Nixon was arrested with a young lady for fast driving. According to the story Nixon was driving along at a rapid speed and ran into another buggy, causing a little smash up. He was given a good lecture and released.

Two young girls were arrested by Officer Pender for incorrigibility and improper conduct. They were both about 13 years of age, of respectable family and in Ogden. The ladies of the Crittenden home preferred to take the girls and reform them, and the young ladies agreed, so were sent there.

One colored man was given five days for drinking too much bad whiskey.

DIED IN THE HOSPITAL.

The young man Charles J. Moore, who was brought to Ogden on Thursday, by his father, C. B. Moore, from Wells, Nevada, to have an operation performed on him, underwent the operation and died shortly afterwards, but only for a short time, when he began to sink rapidly, and death overtook him yesterday afternoon, at the Ogden general hospital. The remains were prepared and shipped to Wells this afternoon for burial. The young man was about 25 years of age and quite well known in Ogden, where he once resided with his father, who at one time was superintendent of the Ogden Street Railway system. His sudden demise will be regretted by his many friends. He was clerk for his father at their hotel at Wells, Nevada.

James M. Smith, a prominent sheep man of Davis county, who met with a painful accident in a windmill a week ago, came to Ogden and went to the office of G. H. Isaacs, where Dr. Rich was summoned, and dressed the lacerated hand, and he is now getting along as well as could be expected.

This evening Charles E. Wade, of Liberty, Weber county, left Ogden for a mission to the Southern States. He is the son of Hon. C. F. Wade.

OGDEN NEWS NOTES.

NO PAIN, TRIFLING EXPENSE.

A Simple, Harmless Remedy for the Cure of Piles.

A person contracts a cold, pneumonia, rheumatism and pleurisy from exposure; dyspepsia and liver troubles from dietary errors and the causes of most diseases are easily traceable, but although piles and rectal troubles are as common as any of these, the cause is obscure.

Violent exertion, as in lifting, sometimes produces them and a sedentary occupation is by some supposed to be a predisposing cause, but a rule piles and rectal troubles appear without apparent provocation.

There are many pile cures and ointments which give temporary relief and when these fail, the patient, who has afforded the expense and is willing to take the risk, has recourse to a surgical operation. But there is one remedy which gives immediate relief and the regular use of which will bring about a permanent cure, and that is the well known Pyramid Pile Cure.

In long standing cases the Pyramid has proven to be the only cure except a dangerous and exceedingly painful surgical operation, and its advantages over any kind of operation are many, as it is painless, causes no interference with daily occupation, and being in the form of a suppository is always convenient and ready for use.

The Pyramid Pile Cure is an effective combination of soothing oils and antiseptic acids. It contains no cocaine nor nerve destroying opiates and unlike most pile cures, contains no bi-chloride of mercury nor any poisonous, injurious drug of any kind.

All druggists sell the Pyramid Pile Cure at 50 cents for a complete treatment of the suppositories.

A little book on cause and cure of piles will be mailed free by addressing Pyramid Drug Co., Marshall, Mich.

COLONIA JUAREZ, MEXICO.

Interesting Conference—Encouraging Material Prospects—Fine Academy.

Special Correspondence.

Colonia Juarez, Chihuahua, Mexico, March 8.—A most enjoyable Sunday school and Y. M. M. I. conference of the Juarez Stake of Zion has just been held here; a brief account of which might perhaps be read with interest, by some of "the friends we left behind us," in dear old Utah.

Conference convened at Colonia Juarez, February 24th, 1900. Present on the stand were, Apostles Heber J. Grant and Rudger Clawson, President J. Goldens Kimball, Dr. Karl G. Maeser, Patriarch Henry Lunt, Wm. R. Stowell, Jas. H. Marlinton and Winthrop Farr, the Stake presidency, members of the Oaxaca, Garcia, Diaz, Dublin and Juarez Bishoprics, members of the High Council, and of the Stake and ward superintendents of the Sunday school and young men's association.

The report showed an enrollment of 1,561 Sunday school workers.

The weather could not have been more agreeable, and at each of the six general meetings held, the house was packed to its utmost capacity.

There were also four special meetings held for giving instructions to the officers of the Sunday schools and the Y. M. M. I. M. I. A's.

Sister Heber J. Grant was present as a delegate sent by the Y. L. M. I. board.

The main themes of the conference were, Word of Wisdom, tithing, donations, punctuality, education, perseverance, and general exhortation to the Saints to observe the laws and requirements of the Gospel.

The four visiting brethren from the North, viz. Apostles Grant and Clawson, President Kimball and Dr. Maeser, commended the Saints in Mexico for their thrift and enterprise; and their untiring zeal in the work of the Lord.

FINE ACADEMY.

On Monday the Juarez Stake academy was visited. This building is of brick and good credit to our little community, having cost us some \$12,000. The institution being a Church school, is conducted according to the Church school system, under the direction of Professor Guy C. Wilson. It has an enrollment of about 260 students.

Last week several wagon loads of teachers and students treated themselves to a four days' excursion in the mountains, visiting the caves at Cave Valley and other places of interest, and had a real Bohemian treat.

ENCOURAGING PROSPECTS.

From present prospects we have reason to hope for a favorable season, both for farming and fruit raising; and firmly believe that the prophecies made concerning this land will be, and indeed, are now being verified, viz. that the season's will be prolonged and the rough spring winds which have heretofore been so disagreeable will become less frequent.

Several of the colonists have taken up land on the Tinaja wash, and intend to try dry farming.

There are good prospects for the construction of a new railroad, running from the terminus at Casas Grandes to the Sonora mines, via Galeana, which may prove invaluable to those interested in mining.

Elder W. R. Norton has been released from his office as Elder among the Saints and Elder D. E. Harris has returned from a similar mission in Utah. We gave a social party welcoming the one and bidding "Good speed" to the other.

Several of our boys have lately received letters from Box B.

IS PENNILESS AND SICK.

An Old Man From Tooele County in a Sad Plight.

He Suffers While the Authorities Settle the Question as to Whose Charge He Is.

William St. Jeor, a laboring man of Fort Bridger, Wyo., arrived in town this morning over the Oregon Short Line, having in his charge an old man named W. L. Wheelock, a citizen of Tooele county. Wheelock is 70 years of age and an invalid, and is absolutely penniless. For some time he has been cared for by Mr. St. Jeor, but being a very poor man he is unable to care for him longer. St. Jeor called at the police station this morning and stated that the old man was at the depot in a helpless condition, and if something was not done for him at once he would die. He was advised to communicate with the county officials regarding the matter. "I telephoned to the city clerk this morning," said St. Jeor, "and he said I would have to see the county clerk. I telephoned to him and he said I must get permission from the county commissioners before he could do anything. What am I to do? The old man is suffering, and may die for the want of a little assistance." St. Jeor was advised to see County Commissioner Geo. A. Whitaker.

A Fleeting Attack.

An attack was lately made on C. F. Collier of Cherokee, Iowa, that nearly proved fatal. It came through his kidneys. His back got so lame he could not stop without great pain, nor sit in a chair except propped by cushions. No remedy helped him until he tried Electric Blitters which affected such a wonderful change that he writes he feels like a new man. This marvelous medicine cures backache and kidney trouble, purges the blood and builds up your health. Only 50¢ at Z. C. M. I. Drug Dept.

Mrs. Margaret Johnson, who resides in Valverde, a suburb of Denver, has lived there for the past fifteen years, and has lived in Denver and vicinity for thirty-two years. She makes a straightforward statement.

She said: "I am very grateful for what Drs. Shores have done for me. For the past three years I have suffered the agony of death many times from pain. My back was so weak and painful that I could not walk, or lift either foot from the ground. I was very nervous. My heart would palpitate awfully, and my stomach would bloat dreadfully.

"I have taken one month's treatment with Drs. Shores and Shores, and I feel like another woman. I can walk with ease, lift my foot as nimble as I ever could, get in and out of my buggy without the slightest pain, something I have not done for a long time. My heart beats regular now, my back feels all right, and there is no bloating in my stomach.

"I heartily recommend Drs. Shores. In fact, I cannot praise their new treatment sufficiently in this statement, but I will be glad to have anyone call on me, and hear the story of my wonderful recovery from my own lips.
